Re: Public Watchdogs v. Southern California Edison Company, et al.  
S.Ct. No. 20-1676

Dear Mr. Harris,

The petition for a writ of certiorari in this case was filed on May 28, 2021. Respondents Southern California Edison, San Diego Gas & Electric, Sempra Energy, and Holtec International's (collectively "Private Respondents") response is now due, after a single extension, on October 1, 2021.

The Private Respondents respectfully request, under Rule 30.4 of the Rules of this Court, an extension of time to and including November 1, 2021, within which to file the Private Respondents' response. The federal government filed a request today also seeking an extension to November 1, 2021.

Private Respondents request this extension as the four separate Private Respondents are still coordinating their single joint response. Private Respondents respectfully request the extension to allow them more time to properly coordinate and prepare the joint response.

Very truly yours,

Alexander Akerman
